

BUSINESS

Mocksville works closely with the Davie County Chamber of Commerce and the Davie County Economic Development Commission to locate and support businesses of all types and sizes in our community. We also work closely with all town and county departments to help business owners and managers get things done.

Use the links to the left to navigate to the resource you need. If you need any additional information, please feel free to contact the Mocksville Town Hall by telephone at (336) 753-6700.
