The Triad Veterans Coffee events are open to veterans of all ages. Around the country and here in North Carolina, the events are an opportunity for our local veterans to connect, or re-connect with other veterans, share stories and enjoy free coffee, donuts and conversation. Various organizations who provide support for veterans will be invited to attend the events to share information about their programs.

Through We Honor Veterans, a program of the National Hospice and Palliative Care Organization (NHPCO) and Veterans Administration (VA), Hospice & Palliative CareCenter is better serving our veterans and their families. The Veterans Coffee event is one more way Hospice can salute those who serve in our nation's armed forces.
