## Market Guidelines

Welcome to the Mocksville Farmers Market. To permit fair and equal opportunity for all sellers and ensure quality products for buyers, the following guidelines have been developed. These guidelines will be revised and updated as needed, and may be modified according to the season and products being sold. The market will operate from 3-6pm on Wednesdays beginning 5-01-24 and finish 10-23-24. **A “Special Event, THE HARVEST TABLE” will be Wed., Oct. 23<sup>rd</sup>.** As a market, we will provide foods to serve the public which represent the farms and PROMOTE the upcoming holidays. Bring a sample or two and recipes.

**To provide the best market and for everyone to achieve maximum benefits, everyone – vendors, customers, boards and management must share and work together. Thank you for choosing the Mocksville Farmers Market to sell your produce and products.**

## Market Manager

The Town of Mocksville Community Development Coordinator or his representative serves as the Market Manager. The Market Manager approves applications and oversees the market, making sure all vendors and consumers are in compliance with market guidelines and regulations.

Any complaints, disputes or violations of the regulations may be taken by voice to the Market Manager. This should be handled before or after the market so as not to interrupt market sales. All regulations are open to the interpretation of the Market Manager.
